Shaping the future of your child...
Give your child this unique advantage...

SAI believes trends, scenario, vision and strategy to be the most integral part of decision making in the area of career building.

The ability to make a decision comes with explicit and conscious effort to provoke thought, stimulate imagination, clarify options, relate values to long-term developments and move people to take action.

SAI adopts various evaluation techniques and strategies to meet preferred future goals.

Thankfully, you can give your child this unique advantage too...

Dr Arun Prakash receiving National Award from Dr APJ Abdul Kalam, the then President of India.

SAI International School runs under the caring hands of Dr. Arun Prakash, the Director and the Principal. Dr. Prakash is the Founder Principal of five schools including two abroad. He is also the member of many international bodies like National College of School Leadership, UK & Council of Educational Facility Planners, USA. He brings a wealth of knowledge and years of experience to SAI International.

Career highlights:

- Founder Principal, Pathways International, Dubai
- Founder Principal, Delhi Public School, Jeddah, Saudi Arabia
- Founder Principal, Delhi Public School, Bilaspur, Chhattisgarh, India
- Founder Principal, Delhi Public School, Cawahati, Assam
- Founder Principal, Delhi Public School, Dhalgaon, Assam
- Principal, Delhi Public School, Korba, Madhya Pradesh

Dr Prakash says:-

"Our efforts continue to be directed towards recognizing the potential, thirst, drive, vigour and capacity in each and every child to ignite their mind. Our goal is to create a positive environment, where every child feels at home, loves to explore his or her own potential, and say... "Yes! this is my school...I love it!"

Through our program we wanted to ensure that by enrolling their children in SAI, parents are truly investing in their child's future, helping them to shape their own destiny, rather than pre-determining it for them."

Orissa's First BPO...

JSS BPO had a humble beginning when a young entrepreneur Mr. Eijoy K. Sahoo, started the organization with a vision to create a company that would be dealing in only the cutting edge technologies. Since then, JSS BPO has been growing from strength to strength achieving one milestone after another.

The environment inside JSS BPO is healthy, buzzing with people of a varied background such as Chartered Accountants, Software Engineers, Web Designers and Management Graduates. The Company has a workforce of over 600 employees across locations. JSS BPO is truly an international company that gives a global experience to its employees.

JSS BPO has received the BEST BPO 2008 award from the Government of Orissa. JSS BPO also bagged the outstanding performance award from Citibank for 2008.

Orissa's First Private Software Technology Park...

Catering to long standing demands from the Information Technology (IT) Companies in the Small and Medium Enterprise (ITSM) sector, the Inter Ministerial Standing Committee (IMSC) of the Government of India has approved the first private Software Technology Park (STP) of Orissa. The IMSC felt it imperative to setup a micro, small and medium

enterprise (MSME) software park to walk in and to start their business instantly. The new STP has been christened as JSS Software Technology Park. The private STP is located at Infocity in Chandaka, Bhubaneswar with a view to provide incubation and infrastructure facilities to new and young entrepreneurs in the MSME sector. Infocity is considered the biggest IT park in eastern India spread over an area of 350 acres, currently housing IT giants like Infosys, Wipro, TCS, MindTree etc.

The building of the JSS STP is spread over a sprawling three acre campus and houses state-of-art technology to fulfill the growing demands of highly competent IT professionals.

Orissa's First International Day Boarding school

It has been setup by St. Shirdi Sai Education Society, a unit of JSS group - which was inaugurated by Sri Narvesh Patnaik, the Chief Minister of Orissa.
